(omitting subtitles and initial articles). Name entries begin with the person's name in the fullest form occurring anywhere in the *Journal*, followed, in brackets, by any variant forms which occur. Cross-reference are given where the alphabetic position of a name is not obvious. Dates in parentheses after a person's name mean that the person has been the subject of an obituary in the *Journal*.

I have tried to make this index accurate, clear, and easy to use. I would welcome additions or corrections.
